Train the Trainer Workshop Texas Peace Officer's Crash Report (CR-3)

The Texas Department of Transportation (TxDOT) Traffic Operations Division (TRF) will be hosting three workshops for law enforcement personnel to be trained on the new CR-3 form which becomes effective January 1, 2010. In addition, this workshop will include a review of the 2010 Edition of the Instructions to Police for Reporting Crashes (CR-100). The CR-100 has undergone significant changes in an effort to make it more user-friendly and to clarify instructions and requirements.

This workshop is **free** to officers and six (6) TCLEOSE credit hours are being offered for participation in this workshop.

All workshops will be held in Austin, Texas at the J.J. Pickle Center located at 10100 Burnet Road, Bldg. 137, in the Big Tex Conference Room. Workshop dates are: October 23, October 28, and November 2, 2009. All workshops will be held from 8:30 a.m. – 5 p.m. Lunch will be on your own from 12 noon to 1:30 p.m.

Seating is limited, which requires TxDOT to limit attendance to two (2) attendees from each agency, per workshop, so register early. Registration closes at 5pm on September 30, 2009.
